CAtalan LInux Users

A group of diverse people interested in two concepts:

Free Software

Catalan language

How did it start?

- **An initiative is published in Vilaweb (March 1999): the first Catalan Linux users group.**

- **Fusion with AULLUC**

- **First server made out of bits and pieces**

- **The next two servers are bought with donations**

What are we worried about?

- **Licenses: copyright, copyleft, DRM,...**
- **Use of free hardware, free firmware, free software**
- **Society: internet neutrality, software legislation, patents, use of catalan in software**
- **Promotion: Free Software Day, Jornades de Programari Lliure, talks**

What do we do?

- **Promote the use of GNU/Linux**

- **Help and support**

- **Translation**

- **Install parties**

How do we do it?

- **Free Software Day**
- **Install parties**
- **Mirrors**
- **Blog, planet, wiki**
- **Sponsor free software events**
